

# No Colour Lines

The Gap Band

Ooh why  
Oh why  
Why does love hate?  
Why do we segregate?  
Can we consummate?  
Why do we separate?  
Love can conquer hate  
My friend it's not too late  
Why contemplate?  
It's time to celebrate

Love conquers all  
It's the missing thing  
That everybody needs  
It's like a breath of spring  
And if we love, love and make peace  
Let all this hatred cease  
Colour has no place in peace

Hear these words I say  
My friend we're on our way  
To a brighter day  
Love will lead the way

The colour lines are gone  
It's time to right our wrongs  
Listen to this song  
Those days have all darn gone

No colour lines  
No colour lines  
Open up your eyes  
Your hearts and your minds  
Then we will find  
We as people all are blind  
We're running out of time  
You'll see  
We're all the same there's no colour lines  
Nooo  
Ohhh  
No no no no no no no no  
There are no colour lines  
(There is no white or black, black or white, red yellow or brown)  
No no no no no no no no no no

No colour lines  
No colour lines  
Open up your eyes  
Your hearts and your minds  
Then we will find we as people all are blind  
We're running out of time  
You'll see  
Were all the same there is no colour lines  
Were all the same there is no colour lines  
Were all the same there is no colour lines
