

No Hiding Place

The Gap Band

Hi, honey
What you doing?
I want to talk to you

There's a look into your eyes
It's not to my surprise
That you are lonely, girl, yeah
When I listen to you speak
I see that you're so weak
It's in your heart, oh yeah

And you can show your pretty smile
Behind the tears
That's on your face, ooh, yeah
And you can run, you can run
You can run, you can run, you can run
But there's no hiding place, oh, yeah

As you stand there in the room
I see the lonely gloom
That shows on your face, yeah
I wanna see you smile
To lighten up your face
Don't let the world turn you around
Turn you around, turn you around
Turn you around

You can see your pretty smile
That's on my face
I love your smile, oh-oh-oh girl
And you can run, you can run
You can run, you can run, you can run
But there's no hiding place
Oh-oh-oh-oh...

Oh-oh-oh-oh, yeah

Oh, you can show your pretty smile
Behind your tears
That's on your face
Mm-hmm, oh, yeah, oh...
And you can run, you can run
You can run, you can run, you can run
But there's no hiding place
Uh-huh, whoa-whoa...

And you can run, you can run
You can run, you can run, you can run
But there's no hiding place
Whoa-whoa-whoa-oh...
And you can run, you can run
You can run, you can run, you can run
But there's no hiding place
Whoa-oh, yeah

And you can run, you can run
You can run, you can run, you can run

But there's no hiding place
Whoa-whoa-whoa-whoa
And you can hide, you hide, you can run
You can keep on hiding
But there's no hiding place, oh, no
Whoa-whoa...

Don't let the world turn you around
As there's no hiding place, oh, no
Whoa, yeah
And you can hide, you can run
You can hide, you can run
You can hide, you can run
But there's no hiding place
Oh-whoa-whoa

Over and over and over and over and over
And over and over and over again
You can run
One more time, baby
Over and over and over and over and over
And over and over and over and over again
Oh-whoa, oh-whoa...

And you can hide, you can run
You can hide, you can run
You can hide, you can run, yeah
No hiding place
Yeah, yeah, yeah, yeah

Over and under and over and under
And over and under
There's no hiding place
Yeah, yeah, yeah, yeah, yeah, yeah, yeah
Over and under and over and under
Over and under
There's no hiding place, alright...
