Nothin Comes To Sleepers

The Gap Band

With the sunshine comes the dawning of a day Still another dream has come and slipped away Scattered visions of the things you want to be Make you open up your mind and try to see How to make dreams come true

Ohh life is but a dream... nothing comes to sleepers but a drea $\ensuremath{\mathtt{m}}$

Ohh life is but a dream... nothing comes to sleepers but a drea $\ensuremath{\mathtt{m}}$

Standing all alone you wonder what is real
Is it what you see or is it what you feel (is it what you feel)
While your wondering the day has passed away
No more time for wondering it is time to pray
God make our dreams come true

Ohh life is but a dream... nothing comes to sleepers but a drea $\ensuremath{\mathtt{m}}$

Ohh life is but a dream... nothing comes to sleepers but a drea $\ensuremath{\mathtt{m}}$

Far beyond the sky the source of everything Seems to hold within his hands your destiny (hold your destiny) In the twinkling of an eye your life could change (belive me it could change)

Turn the sunshine in your life to tears of pain God made our dreams come true

Ohh life is but a dream... nothing comes to sleepers but a drea $\ensuremath{\mathtt{m}}$

Ohh life is but a dream... nothing comes to sleepers but a dream \mathbf{m}
