

# Season's No Reason To Change

The Gap Band

Snowballs rolling down the mountainside  
The sun come around melting the snow away  
Girl, I've been gone for such a long, long time  
Season's no reasons to change

Girl, I love you more and more each day  
And each and every day I pray that you will stay  
Girl, I keep on loving you more and more each day  
Season's no reasons to change

Oh, season's, season's no reason to change  
Season's no reason to change  
Season's no reason to change  
Season's no reason to change

Girl, I love you more and more each day  
And each and every day I pray that you will stay

Oh, season's, season's no reason to change  
Season's no reason to change  
Season's no reason to change  
Season's no reason to change

If there's something special you like your days to bring  
Something you been wishing for more than anything  
Just be true and it will come to you  
Season's no reason to change

Oh, season's, season's no reason to change  
Season's no reason to change  
Season's no reason to change  
Season's no reason, season's no reason to change

Season's no reason to change  
(Why you wanna change on me)  
Season's no reason to change  
(No, no-no, no-no-no, no)  
Season's no reason to change  
(Doesn't matter what, what the weather, girl)  
Season's no reason to change  
(Girl, I love ya, do you really love me)  
Season's no reason to change  
(No, no-no, no-no-no, no-no-no)  
Season's no reason to change  
(Why you wanna change on me)  
Season's no reason to change  
( 'Cause I'm the one that really, really, really loves you)  
Season's no reason to change
