

# Shake A Leg

The Gap Band

Oh, you left me  
With the feelings in my hand  
You gave me my papers back  
Now I am a free man

So you know that coming back  
It's not a part of the plan  
What do you think of me  
I am a free man, baby

Oh, you left me  
At the wrong time  
She was a devil in disguise  
'Cause she was so fine

You thought you could make me beg  
Baby, I'm gonna shake a leg, mmm...  
Shake a leg, shake a leg, mm-hmm  
Shake a leg, mmm...  
Shake a leg, shake a leg

Oh, you left me  
At the wrong time  
She was a devil in disguise  
'Cause she was so fine

You thought you were coming back  
But that ain't part of my plan  
What do you think of that  
I'm now a free man, baby

You said you love me, babe  
It was part of the plan  
First you said you'll be right by my side  
I try to do all I can

You thought you could make me beg  
But, baby, I'm gonna  
Shake a leg, shake a leg  
Shake a leg, shake a leg, mmm...  
Shake a leg, shake a leg, mmm...  
Shake a leg, shake a leg, baby

Shake a leg, shake a leg, mmm...  
Shake a leg, shake a leg  
Shake a leg, shake a leg, mmm...  
Shake a leg, shake a leg, baby

Shake a leg, shake a leg  
Shake a leg, shake a leg  
Shake a leg, shake a leg  
Shake a leg, shake a leg  
Shake a leg

Shake a leg, shake a leg  
Shake a leg, shake a leg, whoo!  
Shake a leg, shake a leg

Shake a leg, shake a leg, yeah

Shake a leg, shake a leg, oh...

Shake a leg, shake a leg

Shake a leg, shake a leg, baby, hey

Shake a leg, shake a leg

You burned the fire on me

I'm gonna make you see!

Shake a leg, shake a leg...
