

Talkin' Back

The Gap Band

One fat hen, a couple of ducks
Three brown bears, four running hares
Five fat Emilies
(You gonna dance)
Six simple Simons sittin' on a stump
Seven Siamese sailors sailin' the seven seas
Eight egotistical egotists
Eekin' in and out of existence
Nine nibblin' nibblin' Nubians
Nibblin' nibblin' gnats, knuckles and nicotine
Ten tenacious turnabouts
Tenaciously tracking through
Thickly Thackeray Timber Town!

Ho-ho! We back at you again
WGAP, and y'all thought we was gone
Now dig!
Tweedly dee, tweedly dum
It's all about that bumpin' in your gums!
F-U-N for fun
Now will y'all sing that for me
Fun, say it!

If you want some fun
Then you got to let us know
Up jumped the bumpin' of your gums
Sucker and things, double jaw jackin'
Say it again, fun!

If you want some fun
Then you got to let us know
Up jumped the bumpin' of your gums and things
Can you dig it
Stick to the script, say it again, y'all!

If you want some fun, ho!
Then you got to let us know
Great gosh almighty, say it!
Great gosh almighty, let me see you, baby
Let's get down with it!
Oh, yes, you gonna dance, sucker!

If you want some fun, F-U-N!
Then you got to let us know
Hit me with a one and then
Great gosh almighty, let me see you, baby
Let's get down with it!
It's about that talkin' back, sucker

It's about that talkin' back to me, baby
Close your mouth, boy!

'Cause I don't feel like goin' way downtown
To buy you no new dresses and things
'Cause you've been bumpin' your gums
Say it again now!

If you want some fun, F-U-N!
Then you got to let us know
Great gosh almighty, let me see you, baby
Let's get down with it!
