

The Way

The Gap Band

Take me to another space and time
Where nothing's ever on my mind
We can do it when you're near
And you tell me you'll be always there
Whoa-whoa-whoa, take me
Take me on into your heart
(Mm-hmm)
Where rivers flow with peaceful joy and love
We can do it when you're near
And you tell me you'll be always there
Whoa-whoa-whoa, come on

Come and walk with me
(Together)
Where peaceful waters flow
Come and go with me
We won't come back no more

And this is the way for you and me
(It's the way)
This is the way, got no sympathy
(It's the way)
This is the way, it's the way for you
(It's the way)
It's the way for me, yeah

I shall never leave this place
(Mm-hmm)
Until I see a smile upon your face
I've got to see a pretty smile
You've got to show me that you really care, oh...
I shall never leave this world
(Mm-hmm)
Until you finally tell me you're my girl
I want to see a pretty smile
You've got to show me that you really care
Oh-whoa-whoa, come on, mmm...

Come and walk with me
Together hand in hand
(Oh-oh, come on)
Come and go with me
And always be my friend

And this is the way for you and me
(It's the way)
It's the way, got no sympathy
(It's the way)
It's is the way for you and me
(It's the way)
It's the way, got no sympathy
(It's the way)

And this is the way for you and me
(It's the way)
It's the way, got no sympathy
(It's the way)

It's the way for you and me
(It's the way)
It's the way, got no sympathy
(It's the way)

It's the way, it's the way for me
(It's the way)
It's the way, got no sympathy
(It's the way)
It's the way, it's the way for you
(It's the way)
It's the way for me

Take me
Take me to another space and time
(Mm-hmm)
Where nothing's ever on my mind
We can do it when you're near
And you tell me you'll be always there
Oh-whoa-whoa, take me
Take me on into your heart
(Mm-hmm)
Where rivers flow with peaceful joy and love
We can do it when you're near
And you tell me you'll be always there
Whoa-whoa-whoa, come on

Come and walk with me
Together hand in hand
(Oh-oh, come on)
Come and go with me
And always be my friend

And this is the way for you and me
(It's the way)
It's the way, got no sympathy
(It's the way)
It's the way, it's the way for you
(It's the way)
It's the way, got no sympathy
(It's the way)
(This is the way)

It's the way for you and me
(It's the way)
It's the way, got no sympathy
(It's the way)
(This is the way)
It's the way, it's the way for you
(It's the way)
It's the way for you and me
(It's the way...)
