

# You're My Everything

The Gap Band

It is no secret 'bout the way I feel  
This feeling is for real  
I wish that I could find the words to say  
I tell you everyday

You are my sun, you're my star  
You're everything to me  
You are my pride and my joy  
Oh, girl, you are my everything  
You're my girl, you're my everything

It is no secret 'bout the way I feel  
This feeling is for real  
I wish that I could find the words to say  
I tell you everyday

You are my sun, you're my star  
You're everything to me  
You are my pride, you're my joy  
Oh, girl, you're everything to me  
You're my world, you're my everything

You are my sun, you're my star  
You're everything to me  
You are my pride and my joy  
Oh, girl, you are my everything  
You're my world, and my girl  
You're my everything

You are my sun, you're my star  
You're everything to me  
You are my sun, you're my star  
You're everything to me

You are my sun, you're my star  
You're everything to me  
You are my sun, you're my star  
You're everything to me

You are my sun, you're my star  
You're everything to me  
You are my pride and my joy  
You're my favorite lunch  
You're my honeybunch

You are, you're my honey  
You're my sugar dumpling  
You're my honey munch  
You are, you're my sweets  
You're my sugar pie  
You're my honey munch

You are, you're my sweets  
You're my sugar pie  
You are my, my  
You are, you're my sweets  
You're my sugar pie

You're my honeybunch

You are, you're my sweets

You're my melody

If you're my symphony

You are, you're my sweets

You're my honeybunch

You're my sugar pie...
