Rollercoaster

The Gathering

Outrun the fight I use to hide in quiet places

I'll refrase my cry
For I would keep on wondering
the rest of my life

You're all moving too fast My biggest fear is that we'll never ever last

I know, it's not that easy Let's hit the brakes

Don't take no time Unless there's a crime to be committed

I guess we lost our faith While we stand and wait untill nothing ever happens

I know, it's not that easy Let's hit the brakes
