

## CIRCLE OF SWINDLER

the Gazette

I am your good tool.  
How much do you buy us for?  
Let's negotiate.  
Value of the pain...

Do you know?  
What you removed  
in the party meeting place of that day...  
Those are trust and respect.  
Only intent to murder is left.  
It is laughing with the wineglass.  
A splendid toast to the old men!  
Let's send this song to dear swindler.

Hey chairman.  
Listen with those ears.  
Guide it to the hell.

To you who think about things with money.  
Let's send this word.  
You and so on can't manipulate me!  
It can't become a music machine!  
Will any amount be in the substitute?

I am your good tool.  
How much do you buy us for?  
Let's negotiate.  
Value of the pain... "Can you pay it?"

Do you know?  
What you removed  
in the party meeting place of that day...  
Those are trust and respect.  
Kneel before me.  
Dear chairman!

Even if the tail is wagged for the hit chart.  
You can't become a hit maker. "Give up right now!"

To you who think about things with money.  
The last contract.  
You and so on can't manipulate me!  
This is the way that mine does it.  
Sign the contract.
