the Gazette

I'm sick jikaku e ask  
Afure kaeru lies  
Can you see it? This feelings...  
Tsumetaku uchitsukeru quiet

To you who gave all to me  
Will you believe me once again?  
My this disease  
Before killing you  
I want to take back blank days

2x  
[GOOFY STATE]  
Self-hate  
I fall in an infinite loop.  
Silent. Escapism. Lie.  
Unchangeable rotten root.

To you who gave all to me  
Will you believe me once again?  
My this disease  
Before killing you

Lost day never undone  
It undermines me  
Kimi o hanasanu you ni

Disappear before killing you  
This [Derangement]
