

GABRIEL ON THE GALLOWS

the Gazette

Babe babe...
Where do you go to?
With such a haggard face
[I want to escape from this pain...]
-live or die-
Answer is bullshit
Half-killing a snake

2x
That screech
What do you want to convey?
acatalepsy

Under the red sun
I ask you it once again
[I came to look for heaven such as the hell...]
I had a bad dream
Very cruel beautifully

Half-killing a snake

A hallucination takes you
To the eden where nobody is...
The fake fear left you
The girl who plays with a white rope
Marionette on the gallows

Dance until you die
Waltz of the fatal dose
Like a gabriel
Daraku shite yuku
Hane ga mogeta kimi
Gallows...Under the blue sky
You need it
Gallows...Under the blue sky
You grieve
Gallows...Under the blue sky
You cannot die
