

Wasted
huge respect to you
I believed initall
I was about to be deceived
What garbage!
why so serious?
I believed it all
Which is a true face?
Ties of blood
Rain of abuse
It's finished now

umiotoshi okizari no te nanimo tsukamenai hibi
yubiori itami kazoeru wasurenu youni

I need a meaning to live for
nouri ni nezuku shishou
Nothing changes even if I die
sabitsuita ha de kizamu
yuiitsu sakenu Ties of blood
akaku zouo ga majiru

I change despair into hope
I break you and get hope
kazoeta kizu to satte yuke

azayakani irodoru kireini saita ne
kurehajimeta hi ga subete wo mitodoketeiru

Until this wound becomes the trace
yurikago no naka nemuru risou wa kiete kurenai
soumatou ni utsuru naraku to asobu yami

midaregami ni shitataru iro wa ore ga egaita risou to wa chigai
yogoresugite ajigenai atama doko wo hagaseba tobichiru rakuen?
I change despair into hope
I break you and get hope
kazoeta kizu ni wa toutei oyobanu nando saite mo uzukidashite shimau
ieru dokoroka fuhai wo kuitomerare mo shinai

azayakani irodoru kirei ni saita ne
kurehajimeta hi ga subete wo mitodoketeiru

I change despair into hope
I break you and get hope
kazoeta kizu to satte yuke
