

I cannot get out away now from the maze

Un, deux, trois
Genjitsu to akumu kousa suru yoru ga
Zaratsuita shita ni boushitsu no oku hawasu
Mezamenai nou ni kobiritsuite iru
Sugishi hi no zanei ai naki hibi

Kimi ga hoshigaruru mono
Nanda ka wakaranai
Haimen no iwakan ni
ima demo obieteru

I arise to broken nights
Yume wa yuutsu
Wasuretai to negau tabi ni omoidasu
Kienai sono kage ni
Saa mabuta wo tojite

God, is this a sign
Tell me my crime
Is it my fate to suffer

Maneka rezaru mono

Un, deux, trois
Gouyoku to kyuoai shinteki gaishou
Genjitsu to akumu tachikirenai
Mezamenai nou ni kobiritsuite iru
Sugishi hi no zanei ai naki hibi to yugamu

Kimi ga hoshigaruru mono
Nanda ka wakaranai
Haimen no iwakan ni
ima demo obieteru

I arise to broken nights
Abiru hodo no kanashiki oku
Me wo fusete mo kienai no wa
Owari no nai yume ni
Jibun ga mieta kara

These repeated dreams won't pass me by
It's a nightmare and a lie
I can't change fate
Even if I die
These repeated dreams won't pass me by
It's a nightmare and a lie
So f**k the why
And get lost

I cannot get out away now from the haze
