

## Maggots

the Gazette

A dictator has a big nose and throws up vomit on his saliva  
Every word is doubtlessly real.

A mutational feeling destroys the image as if it is accustomed  
to do so.

The opinions and ideas which are for consoling myself are a fan  
cy miscast.

It always dislikes any changes. And it drags the suffering idea  
ls.

That guy, that guy, that guy feels fear of a pitfall too.

[Dictatorship] kill off inside  
[The brain of a snow] kill off inside  
[Crazy fraud lovers] kill off inside  
[The coward who loves] kill off inside

Section to a dirty snow  
I'm not your shit box  
Sanction to a dirty snow  
It is different!  
You are fat maggots!
