

Die and restart

Honnou no mama karamaridashita kanjou ga
Wakaranai kurai itai
I can't know it

Hide out
Lies are stacking up
Itazura ni kazatta no wa
Sonzaishinai kuuhaku

Tozasu kokoro yowaki jibun no sei

Sekibaku ni umaru watashi no seimei
Hakidaseba mata kodoku ni kaetteshimau

Distress
Habikoru utagaibukaki ai wo kai nanika ni oboreta
Genwaku ni chiru subete na no ni nazeka kokoro wa mitasareteita kara
Mahi shita kankaku ni kizuku koto sura dekizu genjitsu wa uwa no sora

I can't know it
My fate

Creepy the past inside me
Houmuru you ni
The facts inside me
Nidoto kaeranai
Past...Buried...Forever
[Before I die]
Am I so clever□
[Until I die]
Past...Buried...Forever
Mou mienai?

Tsumiageta yoku no kagiri ai wo kou you ni
Ikitsuku saki mienakute

Creepy the past inside me
Houmuru you ni
Past...Buried...Forever
[Before I die]
Am I so clever□
[Until I die]

Habikoru utagaibukaki ai wo kai nanika ni oboreta
Genwaku ni chiru subete na no ni nazeka kokoro wa mitasareteita kara.
