

## Forming 2

The Germs

Shut up, come on  
"Forming," take one

Rip them down, hold me up  
Tell them that I'm your gun  
Pull my trigger, I am bigger than

Mr. Prez in his big White House  
Listen, he says, we're comin' out  
Infiltration, we're numbin' your minds  
Concentration, we've done time

Rip them down, hold me up  
Tell them that I'm your gun  
Pull my trigger, I am bigger than

Over there, the Queen, she says  
Let's stamp them out and dry those tears  
Saturation, we want in taxes  
Flagellation, we've got gashes

Rip them down, hold me up  
Tell them that I'm your gun  
Pull my trigger, I am bigger than

In the cold, the czar's claimin'  
Just protectin', rockets aimin'  
Alteration, the world is changin'  
Observation, we want action

Rip them down, hold me up  
Tell them that I'm your gun  
Pull my trigger, I am bigger than

I, the Emperor, proclaim  
Us, the masters, we rule the game  
Inclination, somethin' to dream on  
Deprivation, we are sons

Rip them down, hold me up  
Tell them that I'm your gun  
Pull my trigger, I am bigger than
