

## How You're Bound

The Get Up Kids

Save the SOS  
Don't wanna know.  
Lost a fool contest  
Punched in your bones  
On the way home.  
Hold you up  
You fall down.  
Hold you up  
You fall down.  
This isn't just  
The way you were  
How you're bound.

Swear you could not say  
They're not the same.  
Just get through the day  
Without a shame  
What it became.  
Would you learn?  
You fall down.  
Hold you up  
You fall down.  
This isn't just  
The way you were  
But how you're bound
