

Monuments

The Getaway Plan

I've had darkness over me
but tonight you're on my mind.

I've felt light envelop me
but tonight you're on my mind.

We talk, we talk
Like this love is impossible

I'm sure, I'm sure
What we have is unstoppable
And in time you'll learn

I've seen roses blossoming
but tonight you're on my mind.

We talk, we talk
Like this love is impossible

I'm sure, I'm sure
What we have is unstoppable

I know, I know
What the future is holding
And in time you will learn
