

Maria

The Ghost Of Paul Revere

It's better to love and lost
Than never to love I'm told
But is it better to burn this young flame
Than pray for the fire to grow cold?

Oh Maria, be kind
Oh Maria, be kind
Oh Maria, be kind
To me one last time

So run with me now in the tall, tall grass
Waitin' for the sun to get low
And sing to me in the sweetest voice
And dance with me nice and slow

Oh Maria, be kind
Oh Maria, be kind
Oh Maria, be kind
To me one last time

So let's burn down this town for one more night
Oh Maria, you've got me 'til the morning light
I won't pitch a fit, no I won't try to fight
A caged bird don't sing, so baby, take flight

Oh Maria, be kind
Oh Maria, be kind
Oh Maria, be kind
To me one last time
Be kind
To me one last time
Be kind
To me one last time
