

## Need Somebody

The Ghost Of Paul Revere

I'm not bent nor am I broken  
Full of truths I've never spoken  
For it seems that my seams, they are anything but clean  
And I'm a slave to drinking and smoking  
See my vices are constantly with me  
And they tell me that my will it is not free  
I'm a scarecrow you know in the summer and snow  
I stand but girl it is not me  
Cus it is shame that keeps me from singing  
That I do this cus I know it does harm  
I can feel that it's real and it's nice just to feel  
But I'm too frightened to sound the alarm

Oh oh oh oh oh oh oh oh

We all need somebody  
I need somebody now  
We all need somebody  
I need somebody now

Oh little bird in the sky  
How I wish you was I  
Oh how far I'd would go to the places unknown  
But I'd always return to right her side  
Cus you thought thought nothing could beat me  
Until that twenty five hour struggle  
Now I can't get enough of the pain that is stuck with me  
Trying to let it all go

Cuz it's shame that keep a lot going  
It's shame that forces my hand  
Grab the shovel and rope  
I'm a slippery slope  
And I don't want to let myself go

Oh oh oh oh oh oh oh oh

We all need somebody  
I need somebody now  
We all need somebody  
I need somebody now

Oh oh oh oh oh oh oh oh
