

## One Of These Days

### The Ghost Of Paul Revere

Oh look at yourself, laid bare and naked on the floor.  
Oh look at yourself, can't find the pieces anymore.  
Oh look at yourself, is that bottom lower than it was before?  
Oh look at yourself. Hey hey hey, hey hey hey.

Oh one of these days, I'm going to drown, drown, drown.  
Oh one of these days, I'm going to drown, drown, drown.  
Oh one of these days, to the bottom of the lake,  
I'm going to drown.

Is it because of your sorrow that you do this to yourself?  
Is it because of the guilt that you can't keep from the shelf?  
And do you do it because of all the loneliness?  
Can you get through it with this broken house you've built?

Oh one of these days, I'm going to drown, drown, drown.  
Oh one of these days, I'm going to drown, drown, drown.  
Oh one of these days, to the bottom of the lake,  
I'm going to drown. Hey hey hey, hey hey hey.

I could stop if I wanted,  
I could stop if I wanted,  
I could stop if I wanted,  
I can't stop if I wanted.

Oh one of these days, I'm going to drown, drown, drown.  
Oh one of these days, I'm going to drown, drown, drown.  
Oh one of these days, to the bottom of the lake,  
I'm going to drown.

Oh one of these days, I'm going to drown, drown, drown.  
Oh one of these days, to the bottom of the goddamn lake,  
I'm going to drown.  
One of these days, one of these days, one of these days.  
I'm going to drown, I'm going to drown.
