

Clown

The Gift

Is the music too loud
Is he eluding the crowd
Does he know how to sing
or it's terribly, terribly me
See that girl over there
Is she trying to get somewhere?
Don't you think she's a thrill?
Or is terribly, terribly me...
See that look in her eyes
Is she thinking that clown should die?
Does he know how to sing
or is terribly, terribly...
Why? Is it so hard to believe in those things that we need and
Why is it so?

Paparapa pa pa pa...
Why? Is it so hard to believe in those things that we need and
Why is it so?
