

## Nowadays

## The Gift

I am tired  
Everyday the same songs  
The same sounds  
Produced by the same people  
With their same smile tours  
Even the strangers are always the same strangers  
I would like to tell you something new  
I can't cause I'm exactly the same  
Nowadays  
Does any man or any woman  
Does anyone change anything?  
Does any man or any woman  
Does anyone change anything?  
I would like to sing something  
Not a love song or a sad song  
I would like to make you smile  
Because I think you've had enough  
Nowadays you've had enough  
Nowadays  
Does any man or any woman  
Does anyone change anything?  
Does any man or any woman  
Does anyone change anything?  
Nowadays  
I'm tired  
I would like to tell you something new  
I can't cause I'm exactly the same  
Something new  
Does any man or any woman  
Does anyone change anything?  
Does any man or any woman  
Does anyone change anything?  
I'm tired  
I would like to tell you something new  
I can't cause I'm exactly the same  
Something new  
I'm tired  
I... I'm tired  
I'm... I'm tired  
I'm exactly the same
