

# Ok! Do You Want Something Simple

The Gift

OK! Do you want something simple?  
OK! Do you want something simple?  
OK! Do you want something simple?  
OK! Do you want something simple?  
The news  
Do you want something simple?  
The look  
Do you want something simple?  
The letters  
Do you want something simple?  
The jokes  
Do you want something simple?  
The games  
Do you want something simple?  
The nights  
Do you want something simple?  
The boys  
Do you want something simple?  
The girls  
Do you want something simple?  
The words  
Do you want something simple?  
The friends  
Do you want something simple?  
The rest  
Do you want something simple?  
And sex  
Do you want something simple?

Why can't you understand  
How I'm feeling now  
Why don't you feel me  
Why can't you understand  
Please open your hand  
When you don't know how to do  
You want my life  
But you've just said no more  
Everything is just my fault  
The life well done  
I can't understand you more, yeah  
And I can't understand you more

OK! Do you want something simple?  
OK! Do you want something simple?  
OK! Do you want something simple?  
OK! Do you want something simple?  
The films  
Do you want something simple?  
The songs  
Do you want something simple?  
And love  
Do you want something simple?  
The drinks  
Do you want something simple?  
Art pop  
Do you want something simple?  
TV

Do you want something simple?  
The silence

Why can't you decide  
How I'm feeling now  
Your heart is following mine  
Behind this sacrifice  
Can't you see the words  
Can't you see the things  
But I can go on  
Why don't you find another
