

## A Man Who's Strong

The Gladiators

Oh, baby, please don't hurt yourself  
Is there any way I can assist you, girl ?  
I'll be happy to help you out  
And do whatever that I can do

So relax, girl, please play it cool  
Don't be too hard on yourself  
There's someone who'll understand  
So you can tell me all about your troubles

Girl, if you're weary, your knees are getting weak  
Here's a man who's strong, someone you can lean on  
If you're weary, your knees are getting weak  
Here's a man who's strong, someone you can lean on

Come on, girl, be proud of yourself  
There is nothing for you to be ashamed of  
You are so beautiful, so attractive, girl  
Yes, any man will pick you up, ey

Girl, if you're weary, your knees are getting weak  
Here's a man who's strong, someone you can lean on  
If you're weary, your knees are getting weak  
Here's a man who's strong, someone you can lean on

(repeat)
