

## Jah Almighty

The Gladiators

(na na na na)

Jah almighty, give us a heart  
Jah almighty, give us a heart

/: Give us a heart full of righteousness  
That our days will be long upon this land  
That when the fullness of all righteousness  
Be proclaimed throughout all the earth  
We will not discount from our fathers love  
No, we wouldn't want...:/

Jah almighty, mm, give us a heart  
Jah almighty, oh yeah, give us a heart  
full of righteousness....
