

# Jah Glory

The Gladiators

Whoa yeah, yeah! Whoa, yeah!  
Writing, yes I'm writing  
I'm singing, yes I'm singing  
About Jah love and His glory

So I'm saying this to mankind  
That I'm happy, yes I'm happy  
I'm happy in every way now  
And every day now, whoa yeah!

The joys in my heart  
Make me wanna sing every moment

So I will sing about Jah love

What He hath done for me

Oh He's so real to me!  
He put word in my head  
So I can sing my song  
Oh what a joy that is in me!  
I can feel Jah in my corner  
Every day now  
In every way now  
Whoa yeah!

Writing, yes I'm writing  
I'm singing, yes I'm singing  
About Jah love, of His glory

So I'm saying this to mankind  
That I'm happy, yes I'm happy  
I'm happy in every way now  
And every day yes, whoa yeah!

The joys in my heart  
Make me wanna sing every moment  
I will sing about Jah love  
What He hath done for me  
Oh He's so real to me!  
He hath put word in my head  
That I can write my song  
Oh what a joy that is in me!  
I can feel Jah in my corner  
Every day now  
Every way now  
Whoa yeah!

I'm singing, yes I'm singing  
About Jah love, and of His glory  
So I'm happy, yes I'm happy  
So I'm writing, yes I'm writing  
I'm singing, yes I'm singing  
About Jah love, and of His glory, His glory  
Every day now  
In every way now  
Whoa yeah!

The joys in my heart  
Make me wanna sing every moment  
I will sing about Jah love  
What He hath done for me  
Oh what a joy!  
He hath put word in my head  
That I can write my song  
Oh He's so real to me!  
Yeah, I'm singing  
Singing, yes I'm singing  
Writing, yes I'm writing....
