

## Serious Thing

The Gladiators

Idle gossip I man don't give out  
Today you hear this, tomorrow you hear that - a serious thing  
Man have some argument nowadays  
How dem come by that, I don't know - serious thing  
Too much confusion goin' on  
Stop spoil the youth dem with your bad bad tricks  
Stop going around with your false sayin' sayin'  
'Cause man must be sure of what he's saying  
Take my advice stop round up your mouth  
Or you gonna pay for what you don't eat a serious thing  
I man a telling you - a serious thing
