

Sister Ruby

The Gladiators

Ruby
Sister Ruby
How're you doing tonight?
Got me two tickets
To Broadway
Will you be my guest?
And walk with me through the door
Dance with me
To the hall of fame, there will be
Music to groove you
Music to rock you
Let them see we are ready
Ready to move
Let them see we are ready
Ready to move

Me and you walking down the street
Me and you dancing all around
Everyone clapping their hands
Making big joy
