

## Stick A Bush

The Gladiators

Every hoe ha dem stick a bush  
Every hoe ha dem stick a bush

Whether it big or it small  
Whether it tall or it short  
Whether it bent or it straight  
Whether it pretty or it ugly

All breeze don't blow the same direction  
Where the river run once it will run twice  
Where ants find fat there him clone  
Sun rises from the east - down in the west

Every hoe ha dem stick a bush  
Every hoe ha dem stick a bush.....
