

Rock On

The Glitter Band

There's a new Vibration
Spreading through the Nation
Like a magic Potion
It's just music Motion
Get up on your feet Rock On!
Feel it in your soul Rock On!
Ball of Fire, Keeps on growing Higher
Chase your blues away, Rock On!
There's a New age coming,
Things are really Humming
All across the Land, Rock On!
On and On and On and On Rock On!
Rock On !!
And now I tell you something
We really started something Strong!
And as long we keep going,
We know there's nothing going wrong!
Rock On!
Rock, Rock On, Rock On! Rock
Rock On, Rock On Rock Rock
On, On and On and On and On
Rock On!!!!
