

Baby

The Glorious Sons

Oh, baby I'm a peaceful mind
I go crazy when you change my plan
I know that you don't approve
We don't look by all around you, no!

You always got somewhere to be
Oh, darling don't you bring it in me
I'm so tired of your champagne scene
They speak of love but they never bleed, no!

She won't go, no...

Oh baby...
Yeah baby...
