## The Glorious Sons

Oh Mama, down by the river  
Oh you know I'm a sinner  
Oh a sinner for love

Livin life like a heart attack  
When the blood starts pumpin you can't go back  
And I've never met a women I've loved that I don't know  
Darlin what you waiting for that old blue Toyota's outside the  
door  
Put it in drive I'm by your side  
Just a ride  
You take me places my heart hides

Oh Mama, down by the river  
Oh you know I'm a sinner  
Oh a sinner for love

Oh Mama, down by the river  
Oh you know I'm a sinner  
Oh a sinner for love

Living life in the eastern breeze it gets harder and harder to  
leave your seat  
You get caught in the cover like the sun gets caught in the hea  
t  
Darlin what you waiting for that old blue Toyota's outside the  
door  
Put it in drive I'm by your side  
You take me places my heart hides

Oh Mama, down by the river  
Oh you know I'm a sinner  
Oh a sinner for love

Oh Mama, down by the river  
Oh you know I'm a sinner  
Oh a sinner for love

Oh Mama, down by the river  
Oh you know I'm a sinner  
Oh a sinner for love

Oh Mama, down by the river  
Oh you know I'm a sinner  
Oh a sinner for love
