

## Apology

The Go-Go's

I will find a way to move on  
Discontent had its day the pleasure's gone  
If you ask me to describe  
What I could want with all I've got  
I'd say good days and thank you's  
Instead of all these question marks

'Cause when I found you  
I thought my life was charmed  
And we'd be safe from what  
Has happened now has happened now

Apology I'm sorry apology I'm sorry  
Apology I'm sorry but I have no regrets

No one knows just why I can't stay  
Starting over's alright the end so far away  
I know I seem careless  
My moods they change like the weather  
So I ask your forgiveness  
While I pull myself together  
In the meantime  
I live I work I wait I hope  
I still have faith  
That what was mine can still be mine

Apology I'm sorry apology I'm sorry  
Apology I'm sorry but I have no regrets

In the meantime  
I live I work I wait I hope  
I still have faith  
That what was mine can still be mine

Apology I'm sorry apology I'm sorry  
Apology I'm sorry but I have no regrets  
You'll be sorry I'll be sorry everybody will be sorry
