## **Our Lips Are Sealed**

Can you hear them They talk about us Telling lies Well, that's no surprise

Can you see them See right through them They have no shield No secrets to reveal

It doesn't matter what they say In the jealous games people play Our lips are sealed

There's a weapon That we must use In our defense Silence reveals

When you look at them Look right through them That's when they'll disappear That's when we'll be feared

It doesn't matter what they say In the jealous games people play Our lips are sealed

Give no mind to what they say It doesn't matter anyway Our lips are sealed

Hush, my darling Don't you cry Quiet, angel Forget their lies

Can you hear them They talk about us Telling lies Well, that's no surprise

Can you see them See right through them They have no shield No secrets to reveal

It doesn't matter what they say In the jealous games people play Our lips are sealed

Pay no mind to what they say It doesn't matter anyway Our lips are sealed Our lips are sealed Our lips are sealed Tištěno z pisnicky-akordy.cz The Go-Go's
