

Getting Back Up

The Go! Team

Ohh
Could it really be so much better?
Ohh
Live in ways that you cannot measure

Making good on what we should
Everyday
If the living gets in the way

Ohh
Take it down and get what we came for
Do
All you can and then do some more

Can't let the feeling rise
Any longer
So we organise instead

Ohh
Meet ourselves again in each other
Ohh
There's another way to discover

Everyone and everywhere
Getting it together
But we got a long way to go

Don't
Let em tell ya it's like we used to
Don't
Let em tell ya the past's the future

Keeping the word in check
Never stopping
If we can then could it be
Alright?
It's alright
It's alright
It's alright
