

# Going Nowhere

The Go! Team

And they say you'll never be someone  
If you never have a list of things to do  
And they say you're just going nowhere  
Stick with me because I'm going nowhere too  
1, 2, 3, 4

Going nowhere  
Going nowhere

See, I used to want to go places  
Now I know that this is all there really is  
And if life is just going nowhere  
Well there's nobody I'd rather go there with

1, 2, 3, go

Going nowhere  
Going nowhere

If you need me  
To let you see  
If you need me  
You know just where I'll be

Cause I ain't going anywhere honey!

1, 2, 3, go

See I'm just no good honey. I'm a deadbeat. A dropout.  
Going nowhere  
A flunkee. A flop. A shirker.  
Going nowhere  
A dud. I'm down and out. A bum.  
Going nowhere  
A good for nothing. A goof off. A lazybones. Just like you...
