

Hide Me

The Golden Filter

open your eyes
can you see me?
now just focus
on the ceiling
i want you
so slowly
your every move
i know it

hide me
now find me
hear me
you hear me
i can see
your focus
don't go blind
hide me

open your eyes
can you see me?
now just focus
on the ceiling
i want you
so slowly
your every move
i know it

hide me
now find me
hear me
you hear me
i can see
your focus
don't go blind
hide me
hide me
hide me
hide me
