

El Paso

The Gourds

Flooded roads out of town
Call and telephone lines are down
I call and the lines are down
Retarded girl oh she slurs

Tornadoes out on the desert sir
Tornadoes out on the desert
And I'm going to El Paso
I'm going to El Paso
I'm going to El Paso
I'm going to

Chicken blood on my pants
My Hands are shaky and pillow is damp
My Hands are shaky and pillow is damp
Cigarette on a rumble seat

Drive all day got nothing to eat
I'm Driving all day got nothing to get me to El Paso
I'm going to El Paso
I'm going to El Paso
I'm going to

Look out Juarez
I gonna dance with the Strawberry girl
I'm gonna dance with the Strawberry girl
Green shirt muddy shoes

Waiting on the bus to get me through
I'm waiting on the bus to get me to goin to El Paso
I'm going to El Paso
I'm going to El Paso
