

Haunted

The Gourds

In a heart of reverence
Not really deciding anything
Goin out greek mythology
Now the two of us are one
Iron outta Baltimore
SC 234
Eleven out the weather's fine
U 99
I haunted you
Haunted too
(Oh okay, again)
Cant see the floor
Oh no a dinosaur
House, home, hit it
Curtains, pretty curtains
The surfing maneuver
For an hour maybe more
And,
Bring 'er on home to victory
