The Gourds

The kiwi and the liquid gold For helen would have surely knowed I'd love her if it weren't that I Bind myself to a single joy I was sleeping with my lgo I was polishing my midnight runners I was handling my regal tip Cold beer and my prison rolls Take a good look at the patchwork That hellen saw on my foot Well she took a look around, friend Yeah she took her love to town, friend I was sleeping with my lgo I was polishing my midnight runners I was handling my regal tip Cold beer and my prison rolls I got eyes I can't stand it Jalepeños inbetween my toes The duke of earl and smoking joe All the kiwi and the liquid gold I was sleeping with my lgo I was polishing my midnight runners I was handling my regal tip Cold beer and my prison rolls I'm gonna eat my damn 8 year old shoes
