

Back To Dreamin' Again

The Grass Roots

I'm asleep
With my head restin' down on the pillow
In a dream
I can picture the way I wish it was today

Hey, I still dream of the day
Memories - of all those happy times
Of storybooks and rhymes
I can hear the music beatin'
But I know it's in my mind

Back to dreamin' again
Just the same as before
And everytime I hear that front bell ring
I go runnin' for you at the door
'Cause I'm back to dreamin' once more

Hey, strollin' along on the beach
Just two kids - building castles in the sand
Higher than the trees
But then the tide rolls in
And they wash back to the sea

Back to dreamin' again
Just the same as before
And everytime I hear that front bell ring
I go runnin' for you at the door
'Cause I'm back to dreamin' once more

Well I'm back to dreamin' again
Just the same as before
And everytime I hear that front bell ring
I go runnin' for you at the door
'Cause I'm back to dreamin' once more

Lord, Im-a back to dreamin' again
Just the same as before
And everytime I hear that front bell ring
I go runnin' for you at the door
'Cause I'm back to dreamin' once more...
