

# I'd Wait A Million Years

The Grass Roots

All of the lonely nights  
Waiting for you to come, longing to hold you tight  
I need you so desperately  
Waiting for you to come bringing your love to me

But I'd wait a million years,  
Walk a million miles, cry a million tears  
I'd swim the deepest sea,  
Climb the highest hill just to have you near me

As love is reality,  
When you are near to me, I am in ecstasy  
(whoa whoa whoa)  
I'd swallow the pain and pride  
Baby, I just can't hide all that I feel inside

And I'd wait a million years,  
Walk a million miles, cry a million tears  
I'd swim the deepest sea,  
Climb the highest hill just to have you near me

A million years, I would wait for you  
A million tears, baby, I'd be true  
A million miles, I would follow you  
A million years, if you want me to

Pacing the floor, detest  
Sweat pouring down my chest, still I can't love you less  
(whoa whoa whoa)  
It's worth all the pain and pride  
Baby, I just can't hide all that I feel inside

And I'd wait a million years,  
Walk a million miles, cry a million tears  
I'd swim the deepest sea,  
Climb the highest hill just to have you near me

I'd wait a million years,  
Walk a million miles, cry a million tears  
(whoa whoa whoa)  
I'd swim the deepest sea,  
Climb the highest hill just to have you near me
