

Try Me

The Grass Roots

Listen, girl, no use in hidin' it
It's all over your face, don't bother fightin' it
You haven't loved, you can never betray
I noticed somethin's changed when you look at me that way

Try me, try me
Come on baby, the time is right
Try me, won't you try me?
Just try me tonight

I know that boy had a hold on you
But it's out there somewhere - lovin' somebody new
Don't leave yet, honey, you'll never be right
Give your good lovin' till the mornin' light

Try me (try me), try me (try me)
Oh, come on baby, the time is right
Try me (try me), won't you try me? (try me)
Try me tonight

Try me (try me), try me (try me)
Oh, come on baby, the time is right
Try me (try me), try, try me (try me)
Try me tonight

(Try me) try me, (try me) try me
Come on baby, the time is right
(Try me) (try me)
Try me tonight

(Try me) try me (try me) try me
Come on baby, the time is right
(Try me) try me (try me) won't you try me?
Try me tonight

(Try me) try me (try me) try me
Come on baby, the time it's right
(Try me) try me (try me) try, try me
Try me tonight

(Try me) try me (try me) try me
Ah, come on baby, the time it's right
(Try me) try me (try me) try me
Give it to me, girl, tonight...
