

## Wait A Minute

The Grass Roots

I wish to fly  
To the sky  
I wish to say  
To have my way  
Wait a minute, where is your love?  
Is it gone?  
Wait a minute, are you lonely?  
Is that bad?  
I wish to make  
And to bake  
I wish to love  
To the above  
Wait a minute, where is your love?  
Is it gone?  
Wait a minute, are you lonely?  
Is that bad?  
Wait a minute.
