

I hope you go, I hope I see you  
Golden shores with lights more radiant  
Than the sun  
You say you won't, you won't believe it  
Still I can try with the breath inside me  
To say again

It's gonna go  
In the blink of an eye  
And I just wanna know  
You'll be there by my side  
And it can feel so cold  
But I'm holding on to hope  
That one day your heart  
Will make it home

It's gonna go  
In the blink of an eye  
And I just wanna know  
You'll be there by my side  
And it can feel so cold  
But I'm holding on to hope  
That one day your heart  
Will make it home

When it comes, we'll be running, running after  
When it comes, we'll be running, running after  
Who we love, who we love, running after  
Who we love, who we love, further up

And I, when we go, when we go  
I, when we go, I wanna go with you  
And I, when we go, when we go  
I, when we go, I wanna go with you  
With you

It's gonna go  
In the blink of an eye  
And I just wanna know  
You'll be there by my side

It's gonna go  
In the blink of an eye  
And I just wanna know  
You'll be there by my side  
And it can feel so cold  
But I'm holding on to hope  
That one day your heart  
Will make it home

La-da-da-da-da-da-da-da  
Da-da-da-da-da-da-da-da  
La-da-da-da-da-da-da-da  
Mm, da-da-da
