It's Possible

The Gray Havens

Ah-ee-ah
Ah-ah-ee-ah
Ah-ee-ah
Da-da-da-da
Ah-ee-ah
Ah-ah-ee-ah
Ah-ee-ah
Da-da-da-da (Check, check)

Pulled up in a train that was goin' down the tracks
I had heard about the fame, but I didn't get the facts
First step, got down, started walkin' to the beat
Of a one-way ticket on a two-way street, hey

Ah-ee-ah
Ah-ah-ee-ah
Ah-ee-ah
Da-da-da-da (Check, check)
Ah-ee-ah
Ah-ah-ee-ah
Ah-ee-ah
Da-da-da-da

Yeah, I walked down lookin' to the left, to the right
Didn't see any reason to believe all the hype
Then I walked 'til I made it to the end of the road
When I turned around, I found out where I'd been was beautiful

It's possible to see the city from the wrong side (Wrong side, wrong side)
It's possible I didn't see it in the right light (Right light)
'Cause when I stopped and stared, I didn't see the magic
From my first time there, I admit it was a tragedy, I know
It's possible to see the city from the wrong side, wrong side
Here we go

Ah-ee-ah
Ah-ah-ee-ah
Ah-ee-ah
Da-da-da-da (Check, check)
Ah-ee-ah
Ah-ah-ee-ah
Ah-ee-ah
Da-da-da-da

Grass fades, flowers fall in the sun (In the sun)
Keep dreamin' of a city where they never fall once (Once)
