

Let's Get Married

The Gray Havens

Stealing glances from a distance
Never thought that I
Would be the one you'd wanna hold
And sing with every night

When I saw your face and heard your voice
I never thought that we would
Dance and fall in love
So call me crazy if you want but

Let's get married! Whoa oh oh!
Let's get married! Whoa oh oh!
Let's get married! Whoa oh oh!
Whoa oh oh!
Let's get married! Whoa oh oh!
Let's get married! Whoa oh oh!
Let's get married! Whoa oh oh!
Whoa oh oh!

Chasing shadows for a while
Until we finally found the door
That let us see the you and me
The lights were shining on

Some would scoff and stare at us
And some would laugh and cry
And others asked our age and wage
And raised their eyebrows in surprise

Let's get married! Whoa oh oh!
Let's get married! Whoa oh oh!
Let's get married! Whoa oh oh!
Whoa oh oh!

Cuz we are young and full of love
And don't have much at all
But we know something more than age and wages
Tell you where you are

Let's get married! Whoa oh oh!
Whoa oh oh! Whoa oh oh!
Whoa oh oh!
Let's get married! Whoa oh oh!
We're gonna get married! Whoa oh oh!
Let's get married! Whoa oh oh!
Whoa oh oh!
Let's get married! Whoa oh oh!
We gonna get married! Whoa oh oh!
We gonna get married! Whoa oh oh!
Whoa oh oh!
Let's get married! Whoa oh oh! (Goin' to the church, get married)
Whoa oh oh! (Just can't wait to get married)
Whoa oh oh!
Whoa oh oh!
