

The Magic

The Gray Havens

You're my girl for now forever
You're the one for me
Anywhere if we're together
That's where I wanna be

Cuz you've got the magic
I know it's true
Everything's better
When I'm with you
And heaven feels closer
When you're there by my side
And all I know is when I'm with you it's right
And all I know is when I'm with you it's right

So if we're walking down my darkest chapter
Or walking by the sea
If I know you you'll always be there looking out for me
And for now that's in Tennessee

Cuz you've got the magic
I know it's true
Everything's better
When I'm with you
And heaven feels closer
When you're there by my side
And all I know is when I'm with you it's right
And all I know is when I'm with you it's right

Cuz when I'm with you
When I'm with you
When I'm with you
It's magic

Cuz when I'm with you
When I'm with you
When I'm with you
It's magic, oh it's magic

You've got the magic
I know it's true
Everything's better
When I'm with you
And heaven feels closer
When you're there by my side
And all I know is when I'm with you it's right
And all I know is when I'm with you it's right

You're my girl for now forever
You're the one for me
